Verse 2 (same as verse 1 chords)

Through all these cities and all these towns

It's in my blood and it's all around

I loved you now like I loved you then this is the road and these
are the hands

From Mozambique to those Memphis nights

The Khyber Pass to Vancouver's lights

Knock me down and up again you're in my blood I'm not a lonely
man

There's no load I can hold

Road's so rough I know

I'll be there when the light comes in

Just tell 'em we're survivors
